

CAREER OBJECTIVE

- In the past, I had the opportunity to develop myself in the fields of **Mobile App Development** and **Driver-Kit**.
- I am currently improving myself in the field of **iOS Mobile App Development**.
- I want to work with a team where I can apply my knowledge and gain practical and professional experience.
- **Currently seeking internship in the field of my interest** – iOS Development, API Integration, UI/UX Design.

EDUCATION

Bursa Uludag University	Computer Engineering (Bachelor of Engineering Degree)	Oct 2019 – Present
-------------------------	--	--------------------

PROGRAMMING LANGUAGES AND TECHNOLOGIES

- **Swift** [good], **Python** [basic], **SQL** [basic]
- **Socket.io** [basic], **Kingfisher** [good], **Alamofire** [good], **Firebase** [good], **Git** [good]
- **Office Suites Software** [good] **Postman** [good], **Trello** [good], **Jira** [good], **Heroku** [good]

EXPERIENCE

Mobillium	iOS Developer Intern	July 2022 – Aug 2022
-----------	----------------------	----------------------

- Developed To-Do List app for iOS devices with Swift.
- Connected the database to Heroku with API implementation.
- Documentation processes proceeded through Trello.
- Jira was used for bug tracking and agile project management.

PROJECTS

- **Stock Market Automation:** We have made a stock market automation by combining some features of the stock exchange (BIST100) used on the internet and the crypto money exchange (BINANCE).
- **Doyduk App:** E-menu application for restaurants.
- **To Do List App:** While I was doing an internship at Mobillium company, I made a to do list application by applying step by step what is written in the documentation via Trello.
- **Bowl Chat App:** We developed peer-to-peer(P2P) and end-to-end encrypted messaging system. Authentication requests handled with Alamofire. I programmed UI/UX and API handling with Swift. Messaging and connection states maintained with Socket.io.

PROFESSIONAL QUALIFICATION

- **Object-Oriented Programming**
- **Data Structures and Algorithm**
- **UI/UX Design**
- **API Management and Handling**

LANGUAGES

- **Turkish** [native], **English** [good-b1]

MOOC AND CERTIFICATES

- Appcent Akademi - iOS 101
- Appcent Akademi - iOS 201
- Internship Program - iOS (Patika.dev)
- English(Just English-B1)
